# Activities At The Palmer House

**O**ur 22 acres of manicured lawns surrounded by the Green Mountains lend a unique backdrop to any of our outdoor activities, such as the 9 hole par 3 executive golf course, or our all weather Plexi Cushion tennis courts. Fish the famous Battenkill River or our own stocked trout pond. For your complete relaxation we have an indoor Hydro Spa whirlpool and sauna. In the summer season take a refreshing swim in our California style heated pool. “And if none of the above entices you, we have a Gazebo...not only for lovers.”
